Please provide all requested, applicable information listed in Section 4 of the program procedures. In addition, please thoroughly review all other sections of the program procedures for evaluation criteria, requirements of grant recipients, match requirements and acceptable uses of grant funds. **Seven (7) hard copies of your proposal must be submitted to the Nevada Division of State Lands as well as a Portable Document File (pdf) on a CD. Applications will be accepted immediately, but no later than January 31, 2014 at 5pm.**

Funds can be provided for programs such as (but not limited to) implementation projects to improve the environment (ex: water quality improvements, recreation features, etc.), educational programs, research and monitoring. Please note, proposals which include the implementation of capital improvement projects that further the attainment of the TRPA Environmental Thresholds (e.g. water quality improvement projects, recreation improvements, stream environment zone restoration, land coverage removal, etc.) will be prioritized this funding round.

Through coordination with the Tahoe Science Consortium (TSC), All monitoring and research proposals will be peer reviewed through the Tahoe Science Consortium and using the Technical Review Criteria provided in Attachment B of the 2013 Lake Tahoe License Plate Program Grant Procedures.
